

CARTHAGE

3" Kitchen Leg System

for Islands, Peninsulas, Counters, & Bars

PALMER INDUSTRIES
CUSTOM ARCHITECTURAL METALWORK

Palmer is a Boutique Designer & Manufacturer
of Custom Architectural Metalwork

These imposing 3-inch diameter kitchen legs combined
with your base cabinets and countertop materials will
make an impressive statement in your kitchen or bar.

Palmer can design and fabricate support leg systems
and coordinated bistro shelving to complete your kitchen
design inspiration.
