As a designer, engineer, and manufacturer of custom architectural metalwork, Palmer specializes in the production of America's finest Custom Vanity Sink Legs.

Sink Legs do not simply play a supporting role in the design of your vanity; they play the defining role. The choice between elegant legs or just a wood box changes everything...

A Palmer leg system will integrate perfectly with your unique choices of personal colors, wall, floor, and counter materials, plumbing fixtures, and style.

Palmer washstands will support any choice of counter material, such as granite, marble, quartz, porcelain, cement, composite, glass, metal, or wood. You provide the counter, and Palmer will design the perfect leg system exactly to your unique specifications... an ideal marriage.

Engineered in solid brass and richly finished in a full palette of lustrous platings, coatings, and hand-rubbed patinas, Palmer Industries brings you the finest in custom vanity sink legs, perfectly at home in your elegant master bedroom suite or your understated powder room.

At Palmer, Custom Sizing is not "Custom"...

Palmer is a Boutique Designer & Manufacturer

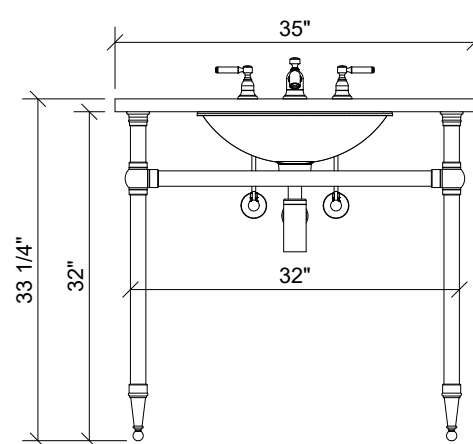

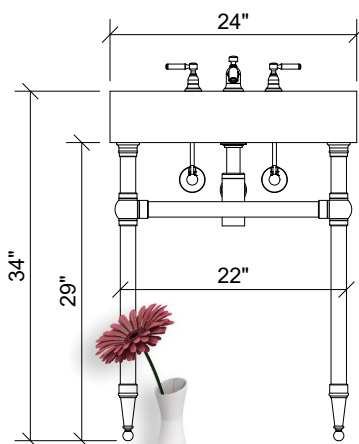

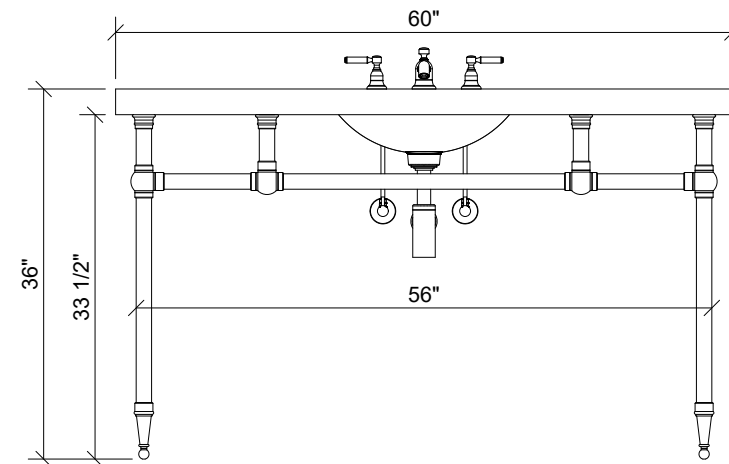

Each and every leg system
is built to order...
one at a time...
to your exact size

One artisan...
One leg system...
One individual
"work of art"

Tapered Foot

All Palmer Leg Systems are
hand-built one at a time,
so we can easily adjust
the width, depth, and
finished height to suit your
customer's exact needs for
a modest additional cost.

Give us your counter
dimensions and we'll
deliver an exact fit.

R-060925

R-060925

If You Can Dream It,
Palmer Can Build It...

Tapered Foot

From your inspiration to the final polishing touch, Palmer's dedicated team of
engineers and artisans can take your project from conception to completion.

Provide us with your simple sketch, magazine clipping, or concept images from
social media, and Palmer will quickly propose a solution to accommodate your
design intent.

Palmer specializes in meeting your custom design needs: any style, any size, any configuration, and any finish...

Flexible Design...
Rigid Assembly...

Palmer offers unlimited design flexibility to create exactly the style and configuration of console you prefer, while never compromising the engineering details that ultimately produce a sound and rigid assembly.

Our internal “unseen” components are just as impressive in their function as our external decorative fittings are in their form.

Components such as custom-designed reinforcing plugs and nuts, tubing connectors, and heavy-duty machine fasteners (we never use “sheet-metal” screws), are all chosen in appropriate metals such as stainless steel and tempered aluminum, and are carefully integrated to produce a seamless, rigid, and lasting console.

EMBRY

EM

The *Embry* makes an elegant statement with its sturdy 2" diameter head transitioning through a sculpted neck into the leg's gentle taper. The distinct contrast in diameter defines this sophisticated silhouette.

EM200

EM200

The *Embry* leg incorporates a unique leveling pin in the bottom of the foot, allowing for 3/4" of height adjustment to correct any out-of-level floor condition.

2" diameter head with tapered legs

see pg. 82 for details

R-060925

R-060925

The Traditional Collection

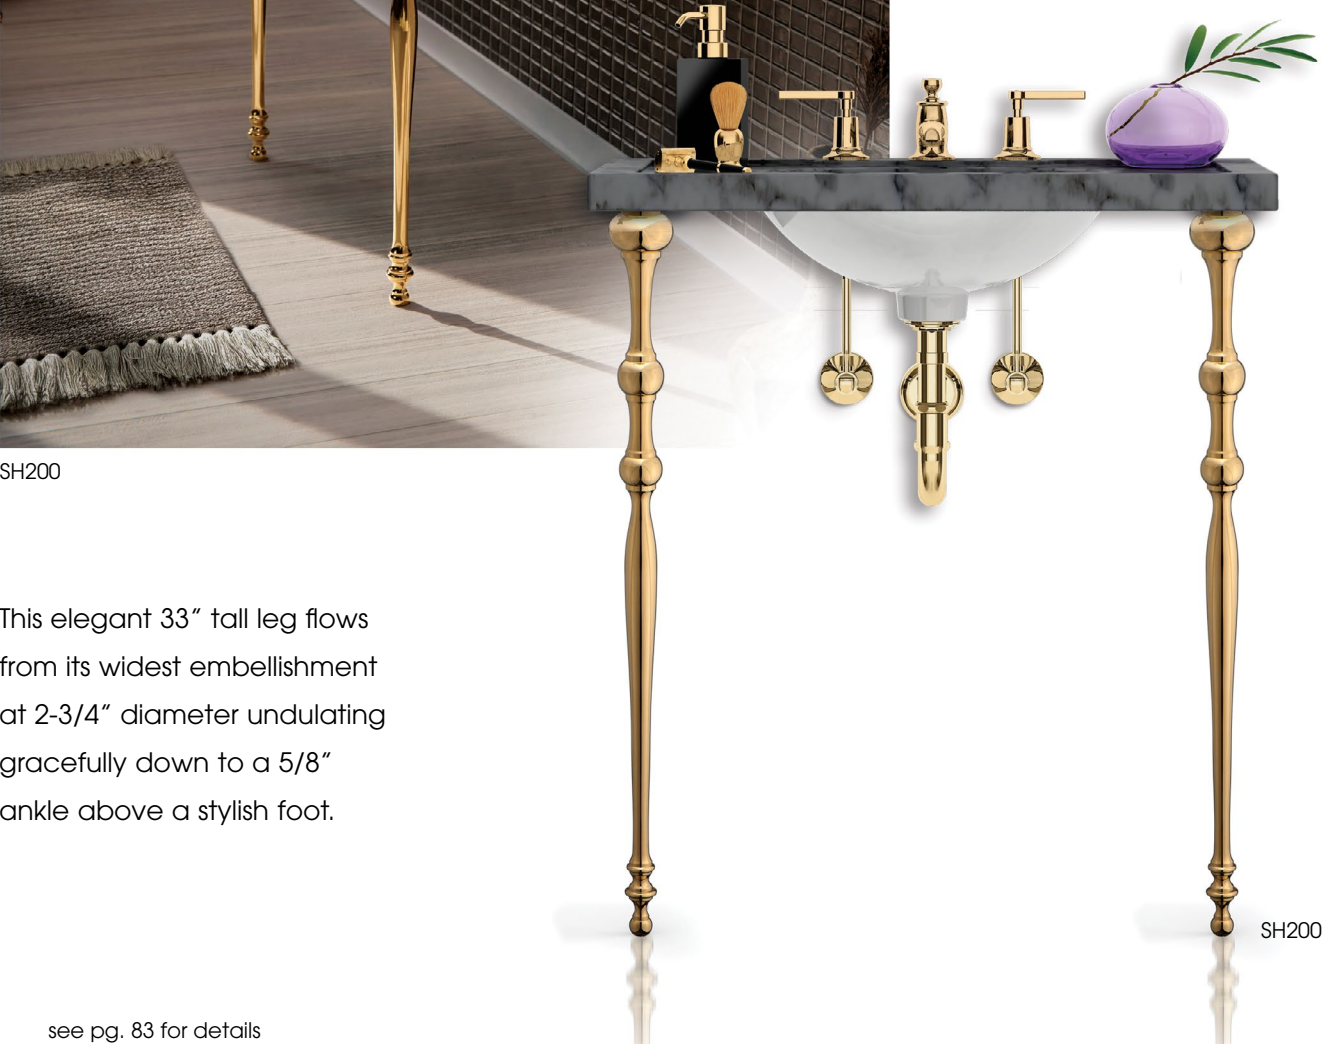

SOHO

SH

In an inspired, but radical, departure from our modular, tube & connector style vanity leg systems, Palmer introduces the curvaceous *Soho* precision-machined solid brass leg.

SH200

SH200

This elegant 33" tall leg flows from its widest embellishment at 2-3/4" diameter undulating gracefully down to a 5/8" ankle above a stylish foot.

see pg. 83 for details

STUDIO

S

The *Studio* console elevates modern industrial utility to a state of luxurious design with its sharp refined lines, and understated fittings.

LS2SNR with Catalano Zero 100 sink

available in:
1½" diameter tubing
1" diameter tubing
¾" diameter tubing

see pg. 84 for details

LS2SNR

MINIMAL

M

The *Minimal* model, with its unadorned tapered legs and clean fittings, affords a sleek and fashionable sense for today's modern minimalistic bathrooms.

LS2M with Duravit DuraStyle sink

1½" diameter legs tapering
to 1" diameter at the foot

1" diameter crossbars

see pg. 90 for details

METRO

MET

The *Metro* console offers clean uninterrupted lines and simple styling, in a diminutive scale well suited to smaller spaces.

LS21MET + TS2 + SS2LP

LS21MET + TS2 + SS2LP with Duravit Vero sink

shown with optional hotel style shelf and low profile shelf supports

available in 1" diameter legs with 5/8" diameter offset crossbars (as shown), and also 1 1/2" diameter legs with 1" diameter offset crossbars

see pg. 92 for details

R-060925

MODERN

MOD

Inspired by Danish Modern design, the *Modern* console features a long sleek foot, smooth contours, and simple geometric patterns.

LS2MOD

1 1/2" diameter legs
1" diameter crossbars

see pg. 96 for details

JAMESTOWN

J

The smooth refined lines of the Danish Modern foot and a gracefully curved crossbar define the *Jamestown* style, and achieve a tasteful blending of traditional form with modern appeal.

LS2J + GS2 + SS2C-G

1½" diameter legs
1" diameter crossbars

shown at left with Stone Forest Harbor sink, optional Teak wood shelf, & low profile shelf supports

LS2J + WS2 + SS2LP

see pg. 101 for details

BRISTOL

BR

Featuring precisely tapered legs, rectangular metal aprons, and hexagonal details, the *Bristol* style expresses a clean blend of modern design and industrial chic.

LS2BR

shown at right with optional glass shelf, & clip shelf supports

1½" diameter legs tapering to 1" diameter at the foot

see pg. 102 for details

REGENCY

REG

The *Regency* model, with its soft curves and masculine flair, offers a wall-hung vanity option for applications when a leg system is not practical, or a raised architectural concept is preferred.

WMREG

WMREG

1" diameter crossbar

shown with Stone Forest
Petite Renaissance sink

see pg. 103 for details

APEX

A

Featuring minimal exposed metalwork and a structurally sound geometric form, the *Apex* offers a space-saving and simple wall-hung approach to vanity installations.

The *Apex* style is available with decorative collars as shown at right, or without collars as shown below.

WMAC

WMA

1" diameter tubing

shown with Stone Forest
Vintage 27 sink

please see page 106 for details

SIZING THE PROVIDENCE
LEG SYSTEM

The width and depth of the *Providence*
leg system is determined by the lengths
of the stone aprons.

Palmer will provide detailed drawings and
specifications for the 5 3/4" high stone
apron pieces required.

Prices include leg heights up to a
maximum of 36".

ALL STONE PROVIDED BY CUSTOMER.

shown with
optional metal
apron trim

Plated Finishes

Plated with precision to Palmer’s uncompromising standards, these finishes combine lasting beauty with engineered durability.

By bonding nickel or chrome to solid brass, each surface gains both resilience and depth.

From the subtle warmth of satin nickel to the mirror-like clarity of polished chrome, the result is a timeless finish with enduring integrity.

PC
Polished Chrome

PN
Polished Nickel

SN
Satin Nickel

AN
Aged Nickel Un-Lacquered

*Luxurious Luster,
Soft Satin Sheen*

Living Finishes

Evolving with use, these hand-applied finishes reveal a living patina, enriched by the unique character of place, touch, and the passage of time.

Un-Lacquered by design, each surface matures with elegance, shifting in warmth and tone.

Over time, nuance and depth emerge, as every surface records its surroundings and reflects an authentic expression of use.

PBUL
Polished Brass Un-Lacquered

SBW
Satin Brass Waxed

ABUL
Aged Brass Un-Lacquered

ORB
Oil Rubbed Bronze

*Maturing with Beauty & Grace,
A Patina Uniquely Yours*

Coated Finishes

Protected with fine lacquers or coatings, these finishes preserve their luster while gently tempering the effects of age.

Engineered for enduring beauty in high-use environments, each finish resists tarnish and wear, ensuring low maintenance and lasting appeal. Favored by hospitality

This family of finishes balances durability and design.

PBL
Polished Brass Lacquered

SBL
Satin Brass Lacquered

ABL
Aged Brass Lacquered

MB
Cerakote® Matte Black

*Lasting Beauty,
Gently Preserved*

PVD Finishes

Our premium Physical Vapor Deposition process bonds metal layers into a resilient surface, offering lasting color and exceptional resistance to wear.

PVD technology creates a durable barrier that resists tarnish, corrosion, and fading, making it ideal for high-use and high-humidity environments.

PVD delivers exceptional longevity while preserving the warmth and clarity of the metal beneath.

- Sink Leg Installation Instructions:
palmerindustries.com/install

Palmer washstands are the natural choice for supporting china or porcelain sinks...a stylish marriage.

Palmer leg systems can be sized to accommodate almost any choice of china sink.

Sizing a stand to properly fit a china sink can be accomplished three ways:

1. Choose a china sink from our online database located on our website Resources page at palmerindustries.com/sinks. This database represents a current listing of sinks that Palmer has evaluated. Palmer will build the stand to fit the sink exactly.
2. Drop-ship the sink directly to Palmer for proper sizing evaluation. Palmer will then take all the appropriate measurements, and determine a washstand size that fits the sink perfectly. Please contact palmer for shipping arrangements.
3. Order the washstand larger than required with the intention of cutting the leg system on-site to fit the sink. Note: shelves cannot be field cut.

Minimal with Duravit DuraStyle sink

Counters MUST be securely fastened to the wall, independent of the leg system, with the Palmer Wall Bracket or equivalent. This is critically important to the structural integrity of the leg system.

PALMER MODULAR ASSEMBLY FEATURES

All Palmer washstands are shipped partially assembled, and many, but not all, can be easily cut on-site to reduce the size.

As shown, the legs are fully factory assembled, so only the Horizontal Front Crossbar and Wall Return Crossbars need to be assembled on-site.

Every Palmer washstand includes a complete hardware package for efficient installation.

1. Wall Bracket

2. Front Crossbar

3. Rear Riser (optional)

4. Top Cap

5. Corner Joint

6. Leg Tube

7. Foot
8. Shelf (optional)

9. Floor Pin

10. Shelf Support Tee Joint (optional)

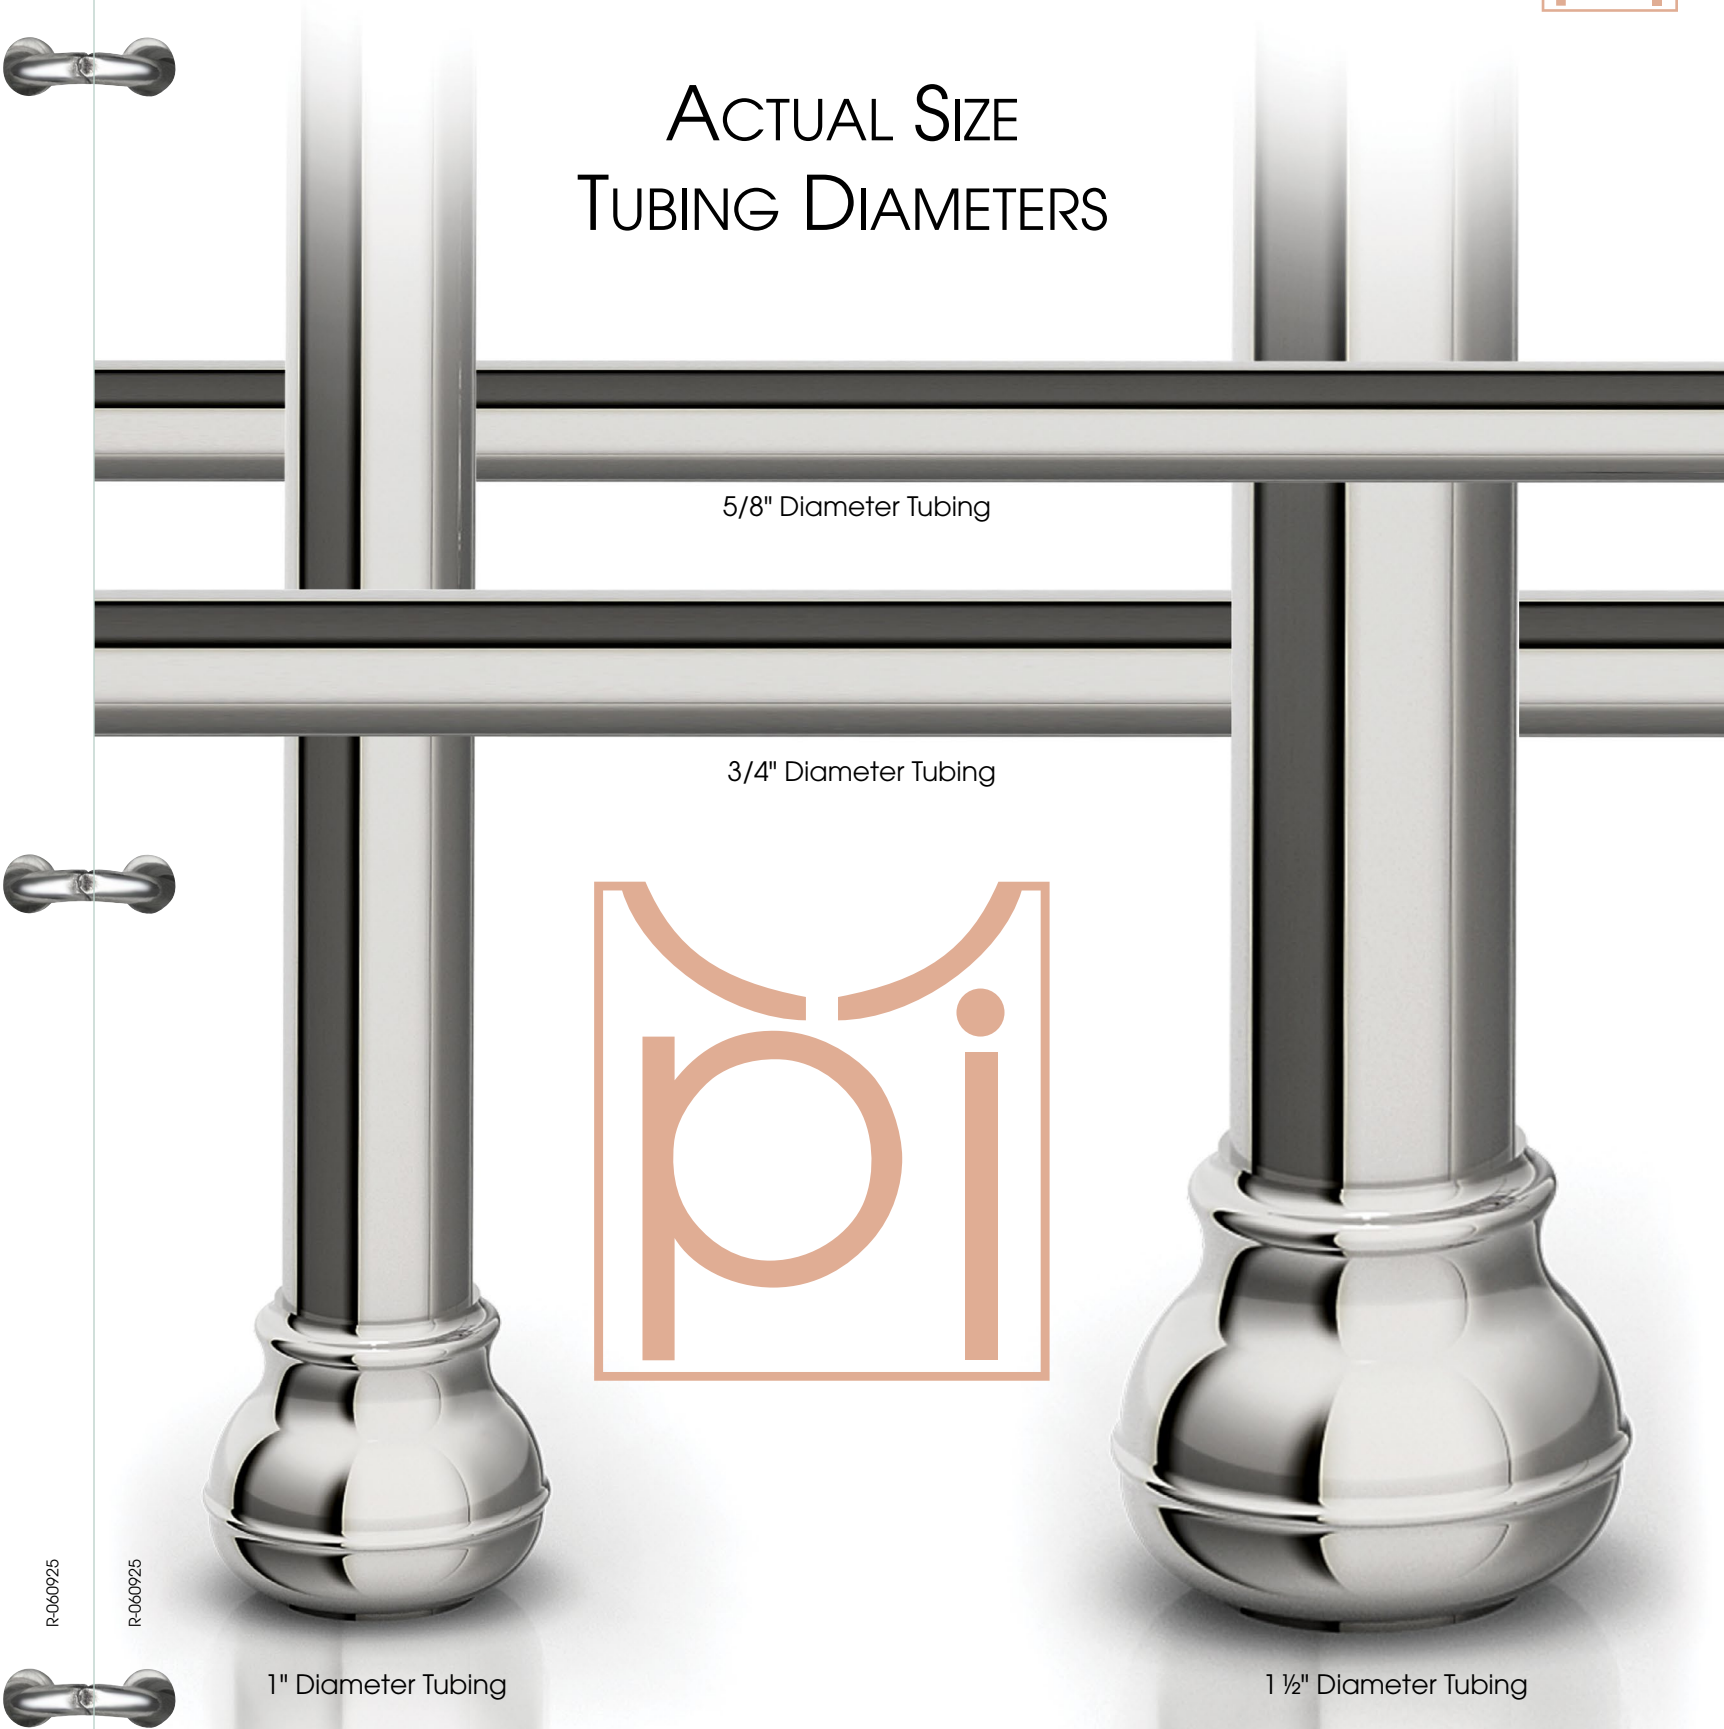

11. Shelf Support Ring (optional)

12. Shelf Support Tube (optional)

13. Wall Return Crossbar

14. Wall Flange

15. Counter Pin
